How to register for a course on your learning assignments?

1. Go through “VUB LRN courses” on your TEO homepage to “My learning assignments” on your VUB LRN homepage.

2. If there are sessions available for a course in your learning assignments, a tile with “Register now” will appear on which you can click.

3. Select the session for which you want to register.

4. On this page you can consult all details about the session. If you wish to register, click on “Register”.

Subsequently, you will receive a confirmation of your registration. This will also be sent by email.
