How to register immediately for a course from the catalogue?

1. Go through “VUB LRN courses” on your TEO homepage to the tile “Find Learning”. Enter (a part of) the title or click on “Browse all courses” to look for a course.

2. Click on “See all classes” and you will get an overview of all available sessions for this course. Click on a session for more details.

3. On this page you can consult all details about the session. If you wish to register, click on the tile “Register”.

4. Subsequently, you will receive a confirmation of your registration. This will also be sent by email.
