These regulations implement the provisions of the Higher Education Code\(^1\), Part II, Title V, Chapter 4, relating to the student council, and Chapter 5 on the student services in higher education, as well as the provisions on the Student Council and the Council for Student Services in the General Organisational Statute of the VUB\(^2\).

The intention is that the VUB Student Council and the Council for Student Services will have the same composition insofar as possible under the Code of Higher Education. This also applies to the positions of chair and vice-president of both councils.

These regulations should be read in conjunction with the VUB student participation regulations\(^3\).

The General Regulations of the Student Council and the Council for Student Services deal, in particular, with:

- the composition of the Student Council and the Council for Student Services
- the powers of the Student Council and the Council for Student Services
- the rules of procedure for the Student Council and the Council for Student Services
- the electoral procedure.

**TITLE I Composition of the Student Council and the Council for Student Services**

**CHAPTER I Composition of the Student Council**

**Article 1 Composition**

The Student Council is composed of 20 students\(^4\) \(^5\), who are directly elected to the Student Council \(^6\) from a single constituency representing the entire student population. Of the students of faculties IR, WE, ES, PE, RC, LW, LK and MILO (multidisciplinary teacher training), at least one student will always be represented, on condition that there is always one candidate from those faculties and MILO. For the faculty GF, there are always at least two students represented on condition that there are at least two students from that faculty.

**Article 2 Successors**

All non-elected candidates will be ranked per constituency as successors based on the number of votes that they each obtained (from high to low).

**Article 3 Advisors**

The Vice-Rector for Educational and Student Affairs\(^7\) and the general manager, or their representatives, shall be invited to attend in an advisory capacity. The managers of the student services departments, the Chairs of the Brussels Student Association ‘Geen Taal, Geen Vrijheid’ [No Language, No Freedom] and the Centre for Free Enquiry and the chief editor of The Moeial, or their representatives shall be invited to attend in an advisory capacity.

The student representatives from the Faculty Councils shall be invited to attend the meeting in an advisory capacity.

Members of the Council for Student Services who do not serve in the Student Council will also be invited to serve in an advisory capacity on the Student Council.

---

4. In accordance with the definition in the Codex Higher Education, we regard a student as the person enrolled at the Free University Brussels.
5. Members of the Student Council who cancel their enrolment at the institute during the academic year, resign as members of the Student Council.
6. These 4 students will also be directly elected to the Brussels University Association Student Council (BAST)
7. In 2015-2016, this will still be the Vice-rector for Student Affairs, in accordance with the transitional provision of the new General Organisational Statute, see art. 94(3).
On the designation of the International Relations and Mobility Office, the president of a group which represents
the international students at the VUB, or another international student with a state of merit, shall be invited to
attend in an advisory capacity.

The government commissioner and the representative of finance have the right to attend meetings of the Student
Council in an advisory capacity by virtue of the power vested in them by decree.

Advisors shall not be members of the Student Council.

Article 4 Term of office

The term of office of a member of the Student Council shall run from the first to the last day of the academic
year.

Only the inaugural meeting may take place in the previous academic year. The agenda may then only contain
items relating to the inauguration, as laid down in Article 12.

Article 5 Chair, Vice Chair and coordinators

Each year, during the inaugural meeting, the elected members of the Student Council must elect a Chair and at
the latter’s proposal, a Vice Chair from among the members.

At the same time, at least 2 coordinators must be elected who shall have the powers set out in article 15.

CHAPTER II Composition of the Council for Student Services

Article 6 Composition

The number of seats in the Council for Student Services corresponds to the number of elected representatives to
the Student Council. The number of members will only be increased if:

- the total number of members does not meet the gender balance for the Council for Student Services,
  imposed by decree: at least one third of the members must be of the opposite sex;
- in case of an odd number – one additional seat will be filled to meet the required parity decreed.

The Council for Student Services is then composed with equal representation in a contingent ‘indirectly elected
by the Student Council’ and a contingent ‘appointed by the competent administrative body’. The elected chair of
the Student Council is appointed to the contingent ‘indirectly elected by the Student Council’, the elected Vice
chair to the contingent ‘appointed by the competent administrative body’.

The other members are arranged in a sequence determined by lottery. The first half of this is considered to be
elected indirectly by the Student Council, just as the chair. The second half will be presented to the competent
administrative body to be appointed to the Council for Student Services, just as the Vice chair.

If seats have to be added to the Council for Student Services, non-elected candidates for the Student Council will
first be nominated for these seats. Those candidates should be of the gender required to meet the gender balance
imposed by decree and ranked according to the percentage of votes obtained per constituency. If this is not
enough, a call will be launched, and the members of the Student Council will nominate extra candidates based
on their motivation.

The indirect election and nomination shall take place during the inaugural meeting of the Student Council. Because
of the required parity imposed by decree and the gender criterion, numbers of members may vary from year to
year.

Article 7 Successors

All candidates not elected in the Student Council election will be ranked per constituency as successors based on
the number of votes that they each obtained (from high to low).

Article 8 Advisors

The same advisors shall be invited as for the Student Council.

Advisors may not be members of the Council for Student Services.

Article 9 Term of office

The office for the members of the Council for Student Services has the same term as that for the Student Council.
Only the inaugural meeting can take place in the previous academic year. The agenda may then only contain items relating to the inauguration as laid down in article 12.

**Article 10 Chair and Vice Chair**

On nomination by the Student Council, a Chair and Vice Chair are elected by the Council for Student Services.

**CHAPTER III Inauguration of the Student Council and Council for Student Services**

**Article 11 Acknowledgement of the outcome of the electoral process**

Once the current Student Council has taken due note of the outcome of the electoral process, the newly elected members shall be convened for the inauguration of the Student Council for the next academic year.

**Article 12 Agenda of the inaugural meeting of the Student Council**

Until a Chair is elected, the newly elected Student Council will be chaired by the oldest member present.

The agenda for this meeting shall contain the following items, in the order given below:

1. Inauguration of the new Student Council
2. Election of the Chair
3. Election of the Vice Chair on nomination by the Chair
4. Establishment of two joint quotas of the Council for Student Services, one ‘elected by and from among the students’ and the other ‘to be appointed by the competent administrative body’
5. Election of coordinators
6. Appointment of student representatives to the vacant offices within the bodies in accordance with the VUB Organisational Statute and the Student Participation Regulations
7. Appointment of student representatives to the vacant offices within internal councils and committees
8. Appointment of student representatives to vacant positions within external councils and committees
9. Fixing of the date of the first meeting of the Student Council and of the inaugural meeting of the Council for Student Services.

**Article 13 Agenda of the inaugural meeting of the Council for Student Services**

Until the Chair is elected, meetings of the Council for Student Services shall be chaired by the Chair of the Student Council.

The agenda for this meeting shall be limited to the following items, in the order given below:

1. Inauguration of the new Council for Student Services
2. Election of the Chair through acceptance of the nomination by the Student Council
3. Election of the Vice Chair through acceptance of the nomination by the Student Council.

**CHAPTER IV Election of the Chair, Vice Chairs and coordinators of the Student Council**

**Article 14 Election of the Chair and the Vice Chair**

Candidates for the position of Chair submit their application, consisting of an application letter and CV, to the Vice-rector for Educational and Student Affairs no later than the day before the meeting at which the Chair will be elected.

For the position of Vice Chair, the Chair nominates a candidate. Other members can also apply as Vice Chair.\(^8\)

The Chair and Vice Chair shall be elected as follows:

1. Candidates will be given the chance to clarify their applications during the meeting.

\(^8\) *The Chair and Vice Chair must belong to a different quota of the Council for Student Services (as required by decree)*
2. The members must be granted the opportunity to pose questions to the candidates.

3. The members will discuss the applications. No minutes will be taken of these deliberations. The candidates may be asked to leave the meeting during the deliberations. A request to this end from at least one member is all that is required.

4. The candidates will rejoin the meeting following the deliberations and the vote will be taken by secret ballot. All the members of the Student Council, including the candidates, shall take part in the vote, casting one vote for a single candidate.

5. The candidate who obtains the absolute majority of votes, laid down in Article 41, is elected Chair or Vice Chair.
   If no candidate has obtained the absolute majority of the votes and if there are several candidates for the positions, a second voting round will be held. In the second round, the members bring out their vote on the two candidates who obtained the most votes in the first round of voting. In case of an ex aequo in the first round of voting, the candidate who obtained the largest number of votes, in terms of percentage, per constituency for the Student Council elections, is eligible for the second round of voting. The candidate who obtains the absolute majority of votes in the second round of voting, will be elected Chair or Vice Chair. In case of an ex aequo in the second round of voting, the candidate who obtained the largest number of votes, in terms of percentage, per constituency for the Student Council elections, will be elected Chair or Vice Chair.

6. The Student Council nominates the elected persons as Chair and Vice Chair for the Council for Student Services.

Article 15 Election of the coordinators

At least 2 coordinators shall be elected who will be responsible for an area of work and ensure coordination of that area.

The Chair, the Vice Chair or the candidate coordinators themselves may propose an area of work for which they deem coordination to be desirable.

The coordinators shall be elected as follows:
1. The candidates will be given the chance to clarify their applications during the meeting.
2. The members must be granted the opportunity to pose questions to the candidates.
3. The members will discuss the applications. No minutes will be taken of these deliberations. The candidates may be asked to leave the meeting during the deliberations. A request to this end from at least one member is all that is required.
4. The candidates will rejoin the meeting following the deliberations and the vote will be taken by secret ballot. All the members of the Student Council, including the candidates, shall take part in the vote, casting one vote for one or more candidates.
5. To be elected, the candidate must have an absolute majority of the votes cast, as laid down in Article 41.

CHAPTER V Resignation as member and resignation from an office

Article 16 Resignation as member

Any member wishing to resign must notify the Chair promptly. The resignation will be noted at the following meeting.

The successor from the same constituency ranking first will then be asked to fill the vacant seat. If they decline, the person from the same constituency ranked next will be selected.

If no more successors are available, the seat of the resigning member will no longer be filled nor will it be taken into account in determining the quorum.

A member who has been duly convened but who has been absent twice in one year without prior written notice will be invited by the council to explain these absences. If the member is unable to be present at the session to justify themselves, they must submit a written account to the Student Council. The Student Council will take note
of the justification or lack of justification for the member’s absence. The council may make a reasoned decision about whether or not this member should resign.

From the academic year 2016-2017, a member will be invited to the council to explain their absences as soon as such absences occur without prior written notice.

Article 17  
Resignation as Chair, Vice Chair or coordinator

A Chair, Vice Chair or coordinator who wishes to resign from their office must notify the Student Council immediately. The resignation will be noted at the following meeting.

The office may then be filled again in accordance with the election procedure set out above in Articles 14 and/or 15.

Article 18  
Motion of no confidence

A reasoned motion of no confidence against the Chair, Vice Chair or a coordinator must be brought by at least 5 members of the Student Council or Council for Student Services.

A reasoned motion of no confidence against the Vice Chair or a coordinator may also be brought by the Chair.

Any such motion must be communicated to the member against whom it is brought immediately, and not later than 14 days before the following meeting.

They may append documents in their defence to the notice convening the meeting and are entitled to be heard at the meeting. For the handling of the motion of no confidence, the normal quorum shall apply.

If the motion is adopted, the member concerned may no longer perform the corresponding duties. The member shall, however, continue to be a member of the Student Council or Council for Student Services.

Article 19  
Election after a motion of no confidence

If a motion of no confidence brought against the Chair is passed, the Student Council shall, within one week, convene at a special meeting, with the election of a new Chair as sole agenda item.

The replacement of the relevant Chair, Vice Chair or coordinator can be placed on the agenda of the following ordinary meeting.

TITLE II   Powers of the Student Council and the Council for Student Services

Article 20  
Powers of the Student Council

The powers of the Student Council are governed by the Higher Education Codex and in accordance with the provisions of the participation rules and the Organisational Statute of the VUB.

The Student Council also has the power to:
- appoint student representatives to the bodies as laid down in the VUB Organisational Statute with regard to the powers of the Student Council and in the Student Participation Regulations
- appoint or nominate representatives to other internal councils and committees upon their submission of such a request to the Student Council

The Chairs of the competent administrative bodies, the Vice-rector for Educational and Student Affairs and the General Manager may, on their own initiative, table an item for the agenda of the Student Council or the Council for Student Services.

Any member of the Student Council and Council for Student Services may submit a written request to the Chair for an item to be tabled on the agenda.

10 To be delivered through Studentenraad.stuvoraad@vub.be

All motions that are supported by at least 30 students and have been submitted to the Chair on time\(^{11}\) will be put on the agenda of the Student Council or Council for Student Services. The person who has put forward the motion will be invited to clarify their proposal.

Article 31 Agenda items submitted at the meeting as a matter of urgency

Items that are submitted after distribution of the agenda may only be added to it if the Chair acknowledges the reason for the urgency of the matter.

These items may be communicated up till 24 hours before the meeting is planned.

If the Chair wishes to add another item to the agenda during the meeting, the Student Council must accept the agenda item.

Article 32 Agenda items submitted as a matter of urgency using the written procedure

If the Student Council or Council for Student Services is unable to meet with the required quorum or if the urgency so requires, the Chair may decide to submit a matter for approval by the members using the written procedure.

On receipt of the written motion, the members must inform the Chair whether or not they consent to it or abstain from voting. A member who does not respond within the prescribed period shall be deemed to have abstained.

If the quorum is not reached, the Chair may, if the urgency dictates, take a decision themselves, as provided for in Article 33.

Article 33 Extremely urgent resolutions

The Chair of the Student Council and Council for Student Services shall personally table any extremely urgent resolutions. This is possible only if the procedure set out in Article 32 has not led to a result or if the need could not have been foreseen earlier and there is extreme urgency. They shall inform the Student Council and/or Council for Student Services of the decision taken, at the following meeting.

CHAPTER IV Meeting procedure

Article 34 Public nature of meetings

Meetings are open to all members of the university community, unless otherwise decided by the Student Council or Council for Student Services.

However, those members of the university community may not take part in the meeting, unless the Chair asks for their opinion.

Article 35 Frequency of meetings

The Student Council and Council for Student Services shall convene at least 4 times per year, and whenever deemed appropriate by the Chair.

If at least 5 members submit a written request to this end, the Chair must convene the Council, which must meet within 15 working days of receipt of the notice.

Article 36 Invitation to attend the meeting

The Student Council and Council for Student Services shall be convened by the Chair.

The invitation shall give the date, time and place of the meeting, as well as the agenda. It will be sent to the student representatives together with any relevant documents.

Except when there is an unexpected need for urgency, meetings must be convened at least 5 full working days in advance.

After communication of the agenda, changes to the meeting documents can only take place with the consent of the Chair.

Article 37 Quorum

Resolutions shall be validly adopted only if the majority of the members is present or represented.

\(^{11}\) To be delivered through studentenraad.stuvoraad@vub.be

General regulations Student Council and Council for Student Services, as accepted by the Student Council and Council for Student services of September 2nd, 2016 with changes accepted by the Student Council and the Council for Student Services of December 13, 2017 and November 18, 2019.
If this quorum is not reached and urgency dictates, the Chair may decide to submit a matter for approval by the members using the written procedure.

Article 38 Course of the meeting

The meetings shall be declared opened and closed by the Chair, who will chair the meeting.

The agenda items shall be discussed in the order previously determined by the Agenda Consultation, as set out in Article 29. However, if justified, the Chair may change the order of the items or give absolute priority to any particular item.

The Chair must introduce each item submitted for deliberation. They may, however, ask any other member or an advisor to introduce the item.

Article 39 Deliberation of agenda items

The Chair will give the floor to the members of the Council in the order in which their requests are submitted.

The Chair may limit the number or duration of the interventions or cut the speaker short.

The Chair may take part in the deliberations without being required to relinquish their position as Chair.

The Chair may also put an item to the vote if they are of the opinion that the members have been sufficiently informed.

The Chair may suspend the meeting for a maximum of fifteen minutes.

Article 40 Voting

If no member asks for a vote to be taken on a given item, a resolution is deemed to have been passed.

A motion will be put to the vote if so requested by a voting member on completion of the deliberation. Voting will normally take place by a show of hands. Any voting member may ask for a vote to be taken by secret ballot.

It is up to the Chair to decide whether resolutions relating to individuals should be taken by secret ballot.

The outcome will be announced immediately after the vote and reported in the minutes.

Article 41 Resolutions by absolute majority

All resolutions shall be passed by absolute majority, except in the case of extremely urgent resolutions which may be passed by the Chair as provided for in Article 33.

An absolute majority equals more than half of the votes cast. Abstentions and blank votes are deemed to be votes cast.¹²

Article 42 Irrevocability of resolutions

Resolutions are, in principle, irrevocable unless found to be incompatible with internal or external regulations.

No second round of voting may take place on a single motion, unless the Student Council or Council for Student Services decides that new facts have emerged which make it necessary to reopen the agenda item.

Article 43 Any other business

No voting may take place during discussion of items falling under 'any other business', nor may resolutions be passed.

The Chair may refuse to proceed to the 'any other business' item if they believe this would lead to an item being put to the vote.

CHAPTER V The minutes

Article 44 Draft and approval

The secretariat shall draw up draft minutes of each meeting. This draft shall be submitted for approval at the next meeting.

¹² Invalid votes are not deemed to be votes cast.

General regulations Student Council and Council for Student Services, as accepted by the Student Council and Council for Student services of September 2nd, 2016 with changes accepted by the Student Council and the Council for Student Services of December 13, 2017 and November 18, 2019.
At the invitation of the Chair, the members may make known any comments they may have, and the meeting shall decide on any comments or corrections made. If the comments relate to members’ contributions, they should ideally be submitted in writing to the secretary\textsuperscript{13}.

Individual members may explicitly request that their statements at a meeting be recorded in the minutes. This also applies to the advisors.

During approval of the minutes of the previous meeting, individual members may ask for the statements they have made to be incorporated. The meeting shall decide whether the request is justified and, where appropriate, on the suitability of the content of the statement made.

Resolutions may be made public before the minutes are approved. The meeting may, however, decide to keep certain resolutions secret for the time being.

At the start of the new terms of office, the Student Council and/or Council for Student Services in the previous composition shall approve or annotate, by email, the last minutes of the Council concerned. These minutes shall be submitted for information to the next meeting of the newly constituted Student Council and Council for Student Services.

\textbf{Article 45} \hspace{1cm} Publicity of reports

The draft and approved reports of the meetings are made public.\textsuperscript{14}

\textbf{Article 46} \hspace{1cm} Conservation

The minutes approved and resolutions passed shall be conserved by the Council secretariat. The members shall have the right, at all times, to inspect them.

\textbf{Article 47} \hspace{1cm} Signing of resolutions

Resolutions shall be signed by the Chair.

CHAPTER I  Voters

Article 57  Electoral college
All students enrolled on the first day of the first week of lectures of the second semester with a diploma contract, a credit contract or an exam contract, are voters.

The electoral rolls are drawn up by the Education and Student Administration. In addition to the voter’s name, the electoral rolls also state the voter’s registration for a study programme and accompanying faculty, the relevant number of study credits, VUB NetID and each voter’s email address.

If a student is enrolled in several faculties, they shall, as far as the faculty constituency is concerned, be assigned to the faculty in which they have enrolled for the highest number of study points. If they are enrolled in several faculties with an equal number of study points, they shall, as far as the faculty constituency is concerned, be assigned to the faculty where they have been enrolled the longest.

Article 59  Compulsory voting
Compulsory voting is a moral duty. This moral duty is a personal obligation and cannot be undertaken by a proxy.
Article 60 Eligibility to vote
Students who are of the opinion that they have been unjustly excluded from the elections must, with proof of their eligibility to vote, contact the electoral office, which is vested with powers as provided for in Article 62.

CHAPTER II Electoral commission and electoral office
Article 61 Electoral commission
The electoral commission will ensure that the election takes place in an orderly fashion and, if appropriate, will take immediately enforceable decisions to facilitate or guarantee such proper conduct.

This commission is composed of one member per faculty with eligibility to vote and a Chair who holds at least a MSc in Rights. Candidates for the present elections cannot be members of this committee.

The members of the electoral commission will be appointed by the Student Council.

Article 62 Electoral office
The secretariat of the Council shall act as electoral office and report any irregularity to the Chair of the electoral commission.

It may add voters who were unjustly omitted to the electoral rolls and is also authorised to determine the faculty constituency to which a student is to be assigned in case of uncertainties. It may also take other urgent ad hoc decisions that must later be taken note of by the electoral commission.

CHAPTER III Electoral calendar and publication
Article 63 Electoral calendar
The calendar for the electoral procedure to be applied shall be set out and approved by the Student Council. The electoral committee may change the calendar in exceptional circumstances.

Article 64 Publication
The publication of the election of the Student Council shall take place no more than one month before the first day of the election by communication to the student community. All relevant documents shall also be published.

The electoral commission shall convene to check the admissibility of the applications as soon as possible following the last day for the submission of applications.

The list of admissible applications shall be communicated to the student community no later than on the day fixed for this purpose given in the electoral calendar, as defined in Article 4 of the Participation Rules for the Free University Brussels.

The number of votes cast on each ballot paper must not exceed the number of seats to be filled. The procedure also provides for the casting of blank votes.

Article 75  Summons

The secretariats of the councils shall summon the voters. The summons takes place electronically and provides all necessary information.

The voting shall, in any event, take place, unless there is not a single candidate.

CHAPTER VI  Result of the voting

Article 76  Quorum

For the election of a member of the Student Council to be valid, a quorum of 20 per cent is required. This quorum is determined by the number of voters who have cast their vote in proportion to the total number of eligible voters.

Article 77  Elected candidates

Provided that the quorum is reached, the candidates are ranked based on the number of votes they each receive.

For the faculties IR, WE, ES, PE, RC, LW and LK and the MILO (multidisciplinary teacher training) represented among the candidates, the candidate in that faculty or MILO who obtained the most votes, irrespective of their ranking among all candidates, shall be elected.

For the GF faculty, if it is represented among the candidates, the two candidates in that faculty who obtained the most votes, irrespective of their ranking among all candidates, shall be elected.

The remaining mandates shall be filled by the candidates with the most votes, irrespective of their faculties.

In the event of a tie for the last seat to be filled, the seat will be allocated by the drawing of lots.

Article 78  Successors

The remaining candidates are ranked as laid down in Article 2.

Article 79  Report

The secretariats of the councils shall count the number of votes cast and the abstentions. Blank ballot sheets shall be deemed to be abstentions.

In all cases, the count shall be rounded, even if the quorum was not reached.

A report shall be drawn up giving the number of votes obtained by each candidate and indicating whether or not the quorum of voters was reached.

Article 80  Publication

The names of the persons elected, and their successors must be communicated to the student community on the working day following the last day of the voting process. This communication shall contain information required for any appeal against the outcome of the elections.
Article 81 Complaints against the result of the voting

Article 82 Review of complaints against the result of the voting

The electoral commission shall rule on any complaints.

The electoral commission shall examine the complaint and hear the parties involved if the latter so desire. The deliberations shall be held behind closed doors. The electoral commission shall draw up a report on the deliberations, including the decisions taken.

The secretariats of the councils shall forward the decision of the electoral commission to the complainants and the parties involved. The decision of the commission shall be communicated, the day after it meets, in the same way as the outcome of the elections was published.

Article 83 Annulment

The Electoral Commission may declare the elections null and void in the event of irregularities that influenced the outcome of the elections.

The secretariats of the councils shall advise the Electoral Commission on the validity or invalidity of the result of the voting.

Everything needed to examine the correctness of the voting and counting operations shall be made available to the secretariats of the councils immediately after the process and until expiry of the period of appeal.

If the Electoral Commission declares the elections null and void, the election process shall be repeated as soon as possible after the annulment.
