STUDENT HOUSING
COVID-19 SAFETY MEASURES
GENERAL COVID-19 SAFETY MEASURES
ON CAMPUS

• **Get your vaccine** on campus and regain your freedom!
  • Several vaccination days between 16 September and 8 October on campus Etterbeek and Jette
  • Johnson & Johnson vaccine

• Maintain 1.5 m distance

• Masks are mandatory in public buildings and in crowded places
  • Put on your mask upon entering a student residence. Keep 1.5m distance from others until you are in your unit. You do not need to wear a mask in your unit.

• Maintain good hygiene:
  • Wash your hands frequently
  • Do your dishes and clean the table and countertop after you have finished using them
  • Regularly take out the garbage
  • Frequently ventilate all areas

• Make good arrangements with your dormmates and respect and help each other
SPECIFIC COVID-19 SAFETY MEASURES
IN THE DORMS

• **Unit = social bubble**
  - All roommates can live and eat together as one household

• **Visitors allowed** in the room and in the unit
  - Always in mutual agreement with the other roommates
  - Respect the student house rules - silence after 11 pm
  - No public events allowed

• **Gardens and recreational areas** open for residents and their visitors
  - No public events allowed
GENERAL COVID-19 SAFETY MEASURES
