

EXAM CALENDAR 2020-2021

NON BRUFACE PROGRAMMES

BA of Science in de ingenieurwetenschappen
BA of Science in de ingenieurwetenschappen: architectuur
BA of Science industriële wetenschappen
MA of Science in de industriële Wetenschappen
MA of Science in de ingenieurwetenschappen: fotonica
European MA of Science in Photonics
MA of Science in de ingenieurwetenschappen: biomedische ingenieurstechnieken
MA of Science in Biomedical Engineering
MA of Science in de ingenieurwetenschappen: toegepaste computerwetenschappen
MA of Science in Applied Sciences and Engineering: Applied Computer Science
MA of Science in Physical Land Resources
MA of Science in Nuclear Engineering
Postgraduaat programma's
Voorbereidingsprogramma's/Preparatory programmes
Schakelprogramma's
Verkorte bachelor programma's

2nd semester (2nd examination period of the 1st examination session) 2020-2021

Lecture-free week before the start of the examinations of the 2nd semester: 24/05/21 – 30/05/21.

Exam period (4 weeks): 31/05/21 – 27/06/21.

Week for the deliberation: 28/06/21 - 04/07/21.

▪ **Submission of the cover page of the master's thesis:**

- For all non-Bruface master programmes (European Master in Photonics not included): before Friday 28/05/21 - 12:00 o'clock noon (this is Friday of the lecture-free week).
- For European Master in Photonics: before Monday 07/06/21 – 12:00 o'clock noon.

▪ **Submission of the master's thesis:**

- For all non-Bruface master programmes (European Master in Photonics not included): before Monday 07/06/21 – 12:00 o'clock noon (this is Monday of the 2nd examination week).
- For European Master in Photonics: before Monday 14/06/21 – 12:00 o'clock noon.

▪ **Master's thesis defences:**

- For European Master in Photonics: 24/06/21 & 25/06/21.
- For the other master programmes: in the final week of the 2nd examination period of the 1st examination session (week 21/06/21 – 27/06/21), as included in the exam schedules.

- **Submission of all marks in CALI:**
 - For all non-Bruface programmes (Master in Biomedical Engineering and Master in Physical Land Resources not included): before Sunday 27/06/21 – 17:00.
 - For Master in Biomedical Engineering: before Saturday 26/06/21 – 12:00 o'clock noon.
 - For Master in Physical Land Resources: before Monday 28/06/21
- **Pre-deliberation:** on a date prior to the deliberation, depending on the programme (if applicable)
- **Deliberation:** Thursday 01/07/21 – 14:00
The interuniversity deliberation of the Master of Science in Biomedical Engineering will be on Tuesday 29/06/21 in the afternoon.
The interuniversity deliberation of the Master of Science in Physical Land Resources will be on Wednesday 30/06/21.
The interuniversity deliberation of the European Master of Science in Photonics will be on Thursday 01/07/21 – 10:00.
- **Proclamation** = online posting of the transcript of records in the Student's Self Service on Thursday 01/07/21.

2nd examination session 2020-2021

Exam period (3 weeks): 16/08/21 – 05/09/21.

Week for the deliberation: 06/09/21 - 12/09/21.

- **Submission of the cover page master's thesis:**
 - before Monday 16/08/21 - 12:00 o'clock noon (Monday of the 1st examination week).
- **Submission of the master's thesis:**
 - before Monday 23/08/21 – 12:00 o'clock noon (Monday of the 2nd examination week).
- **Master's thesis defences:**
 - For European Master in Photonics: 02/09/21 & 03/09/21.
 - For the other master programmes: in the final week of the 2nd examination session (week 30/08/21 – 05/09/21), as included in the exam schedules.
- **Submission of all marks in CALI:**
 - For all non-Bruface programmes (Master in Biomedical Engineering and European Master in Photonics not included): before Sunday 05/09/21 – midnight.
 - For Master in Biomedical Engineering: before Saturday 04/09/21 – 12:00 o'clock noon.
 - For European Master in Photonics: before Monday 06/09/21 – 12:00 o'clock noon.
- **Pre-deliberation:** on a date prior to the deliberation, depending on the programme (if applicable).
- **Deliberation:** Thursday 09/09/21 – 14:00
The interuniversity deliberation of the Master in Biomedical Engineering will be on Tuesday 07/09/21 in the afternoon.
The interuniversity deliberation of the European Master of Science in Photonics will be on Thursday 09/09/21 – 10:00.

- **Proclamation** = online posting of the transcript of records in the Student's Self Service on Thursday 09/09/21.

Graduation Ceremony: Wednesday 06/10/21 'Grote Markt' Brussels.
