From 2022-2023 there will be minimal changes in the master Business & Technology. What do you have to do when you do not pass the course or if you did not take up the course?

SCALABLE DATA MANAGEMENT SYSTEMS

‘Scalable Data Management Systems’ will not be available anymore as an elective from 2022-2023. Did you obtain this course in 2021-2022 or before that? This course will remain in your study overview.
