View Timetable
Click View Timetable

The timetable opens in a new window, sometimes you have to allow Popups who are blocked in your browser.

Click on Copy

Student Set Group: 1 B Social Sciences
Copy the URL below and follow your Calendar app's subscription instructions.

Copy
Go to VUB Office 365 Outlook
Click on “My Calendars” with right mouse button

Go to “Add Calendar”

And select “From Internet”,

Past your copied URL

Waiting for a few seconds

Click Yes or...
...Or click on Advanced,

rename your Timetable in the Folder Name and click OK
Your calendar shows as X

Close your Outlook Calendar and open it again, the name of your timetable shows

Your Calendar Subscription has successfully uploaded
**How to see two Student Sets on top of each other?**

Select two subscribed Calendars

- [x] 1 B Social Sciences
- [x] 2 B Social Sciences

Click with the right mouse button on one of the two calendars

Click on Overlay
Or click on the arrow left to the name of the second timetable
Undo by clicking on the arrow again, and see your calendars site by site
How many times is my subscribed calendar updated in Outlook?

Your calendar in Outlook is updated several times a day. This frequency is determined by Microsoft (or Google of Apple if you use another calendar), not by V.U.B.
