Visiting the general physician in Covid-19-times

To guarantee a MAXIMUM SAFETY FOR EVERYONE, we kindly ask you to:

- Arrive max 10 min. before your appointment timing
- Disinfect your hands upon arrival and also when leaving
- Wear a face mask inside our premises: if you don’t have one, please ask one at the reception
- Announce yourself at the reception and mention the timing and doctor of your appointment
- Make one appointment per problem and per patient

We thank you very much for your understanding and collaboration.

The UGP-team
